

MENAI TOASTMASTERS CLUB

LISTENER'S REPORT

(3 minutes duration)

Listen carefully to everything that is said during the meeting. The aim is to test everyone's listening skills by preparing some questions to ask at the end of the meeting.

The questions can be about what someone said or did, the content of any assignment or what was learnt.

Use your imagination to make the assignment both entertaining and as a method of revision of any important things being taught or highlighted by evaluators.
